Dear Students,

Eternity Bible College is excited to partner with Cornerstone Church in hosting the Gospel Conference. Our prayer is that this conference will better equip you, as members of the body of Christ, to live lives that are transformed by the Gospel.

For more information about the conference, visit the conference website at: <http://www.eternitybiblecollege.com/gospel/about.html>.

I am asking that each of you take this conference seriously. During the week of the conference, we will be canceling your regular classes and asking you to attend a certain amount of the conference (see the back of this letter for details). We view this conference as an important part of your training process. As such, we ask that you plan ahead and ensure that you will be able to meet the conference requirements.

Our sincere desire and prayer is that this conference will be a blessing to each of you. Please prepare your heart for the Holy Spirit to teach and change you through the conference.

Sincerely,

Mark Beuving  
Dean of Students

## Gospel Conference Policy

Requirements:

1. Each student taking classes at EBC for credit is required to attend the Gospel Conference.
2. Conference attendance is based upon how many units each student is taking. For each unit you are enrolled in, you must attend one hour of the conference. For example: if you are taking 9 units this semester, then you must attend 9 hours of the conference.
3. This Attendance Sheet must be completed and turned in by **APRIL 8, 2009**.

Consequence for Non-Attendance:

If you do not complete the amount of hours that you are required to attend you will need to complete an assignment for each hour you miss in order to fulfill your Gospel Conference Requirement.

We will be posting the audio from the conference on the EBC website. If you fail to attend the required number of hours, you will need to listen to the appropriate number of hours from the conference, and write a two page double-spaced summary for each seminar or general session that you need to make up. These summaries should briefly describe the content of the session and how that content should affect your life and ministry. The summary papers must be submitted to the Dean of Students. The conference audio will be available at: <http://www.eternitybiblecollege.com/gospel/audio.html>.

If you fail to attend the required number of hours, you will have a “hold” placed on your account until these summary papers are submitted. This means that you will not be able to view your grades or register for classes until the hold is removed.

If you have any questions about this process, please contact the Dean of Students.

Student Appeal:

If for any reason you will be unable to attend the conference (note: this is different than not wanting to attend the conference), you must make an appeal to the Dean of Students at least one week before the conference begins. If the appeal is not received at least one week prior to the beginning of the conference or if your appeal is denied, you will be required to fulfill the above requirements. All other absences will be subject to the consequences for non-attendance above. Appeal forms are available in the EBC office.

If you have any questions about this process, please contact the Dean of Students.

**This form must be turned in by Wednesday, APRIL 8, 2009.**
